## SC1 Planning Sheet

Read the headings below and write as much as you can in the spaces provided. Use this, together with more detail, to help you start writing your plan.

	What is the problem or task that you have been set?
THE	
PROBLEM	
	What previous knowledge do you have that might be useful?
Background	
Knowledge	
	What (relevant) suggestions or predictions can you make?
PREDICTIONS	
	Using what you know, why do you think your prediction will happen?
	g and years, and as years, and present an appear
